Registration Information Session

Agenda

- 1) Introduction
- 2) Overview of OTS, Used Tires Program and Roles
- 3) Process for registration
 - How to register and basic requirements for registration by stakeholder type
- 4) Resources

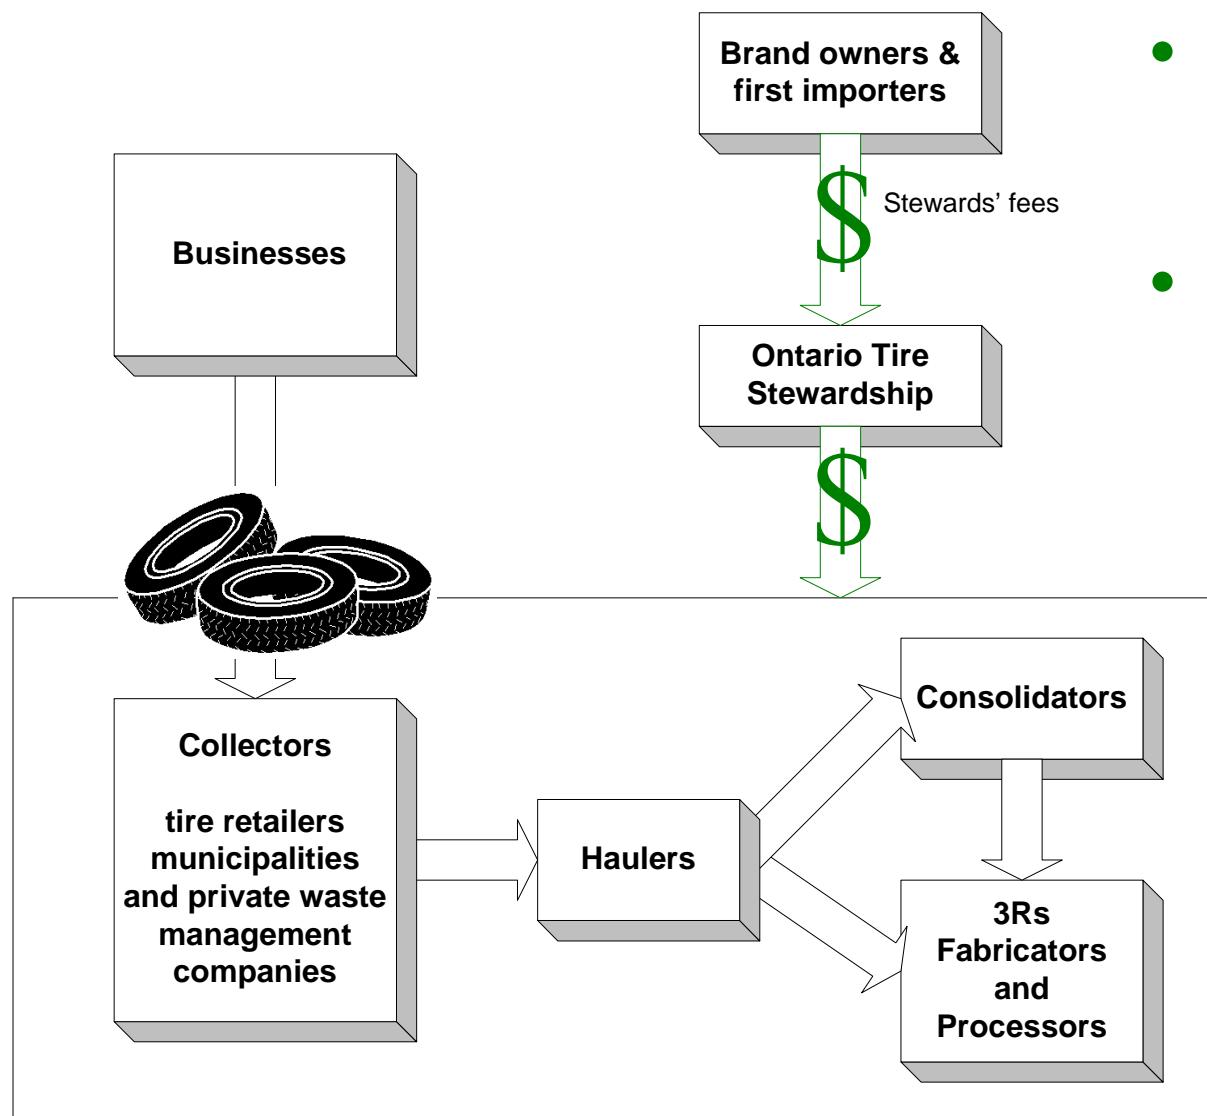

Used Tires Program

OTS & The Used Tires Program

1) OTS – Ontario Tire Stewardship

- (IFO) Industry Funding Organization approved by the Minister of Environment on April 8, 2009 funded by tire manufacturers and importers
- It represents an innovative results-based diversion program for scrap tires in Ontario in a manner that is both environmentally responsible and economically sound
- Established under the (WDA) Waste Diversion Act, 2002

Used Tires – Program Plan

- Stewards pay fees to OTS
- OTS uses fees to pay for “collecting, storing, transporting, processing and marketing” scrap tires

Used Tires Program – Main Objectives

- 1) To promote reduction, reuse and recycling of Used Tires.
- 2) To financially support and expand the used tire collection system
- 3) To divert 90% of used on-road tires over the next 5 years and 50% of used off-road tires.
- 4) To clean up all used tires in stockpiles within the first three years of the program
- 5) Ensure Used Tires are collected, transported and processed in a safe and environmentally sound manner.
- 6) To expand capacity in Ontario to process used tires and manufacture products from used tires and tire derived products, to be able ultimately to process all scrap tires in Ontario.
- 7) To undertake research and development to identify opportunities for new markets / uses of scrap tires
- 8) To shift the costs of managing Used Tires to the manufacturers and importers of tires into Ontario.

Roles in program

Basic Description of Program Roles

Steward

- 1) Brand Owner or first importer of tires into Ontario.

Collectors

- 2) Collects used tires.
 - This is potentially any organization that removes tires from vehicles or receives used tires from consumers e.g. municipal landfills, automobile recyclers and tire dealers

Haulers

- 3) A business that transports scrap tires to a recycler or Scrap Tire Processor.

Processors

- 4) Process scrap tires into other product streams or raw materials e.g. crumb rubber

Recycled
Product
Manufacturers

- 5) A business that uses processed scrap tire raw materials for new products or uses e.g. molded or extruded rubber products

Hierarchy of Stewards

Sec, 8(1)(2) of the OTS Plan outlines the hierarchy for determining which Person shall be designated as a Steward for New Tires. The following provisions shall apply, in the order in which they are set out. If two or more Persons are designated as a Steward pursuant to the following, the earlier provision shall prevail.

- An OEM is designated as the Steward with respect to all New Tires on vehicles Supplied by the OEM:
- A Brand Owner is designated as a Steward with respect to all New Tires:
 - a) Supplied in the Data Period in respect of which it is the Brand Owner;
 - b) to which it has a Commercial Connection,
- A First Importer is designated as a Steward with respect to all New Tires.
 - a) Supplied in the Data Period of which it is the First Importer, or
 - b) of which it is the First Importer in the Data Period for use by it or its affiliate in the Province of Ontario, other than New Tires purchased by an individual for personal use
- If there are Unbranded Tires Supplied in the Data Period and if the manufacturer is Resident in Ontario, the manufacturer of such Tires shall be designated as the Steward for such Tires, otherwise the First importer shall be designated as the Steward for such Tires.
- If there are two or more Brand Owners for the same Tires Supplied in the same Data Period, the Brand Owner most directly connected to the manufacture of the Tires shall be designated as the Steward,
- Where there is no Steward for a particular Supply of New Tires in Ontario, any Person who elects to become a Steward for such New Tires shall, upon obtaining the consent of OTS and executing an agreement to be bound by these Rules, be designated a Steward for such Supply

Roles, Obligations or Requirements

Two Main Groups in Program

1) Stewards

- Stewards are Legally obligated under the Program and must register with OTS.
- They also need to comply with the Program Rules contained in the Used Tires Program Plan.

2) Operational Registrants

- Collectors, Haulers, Processors and Recycled Product Manufacturers
- Receive incentive to participate in program

Stewards - Understand your Role and Obligations

- 1) Stewards need to report on the type and quantity of On-Road and Off-Road tires supplied into the Ontario marketplace and remit Tire Stewardship Fees (TSFs) to OTS. These fees will be used to operate the Program, including incentives to collect, transport and process scrap tires
- 2) Stewards must register by **September 1, 2009** and begin remitting Tire Stewardship Fees (TSFs) on a monthly basis as of September 1, 2009.

Role and Requirements of Collectors

- 1) Collectors need to report on the types and quantity of tires they collect
- 2) Collectors are obligated to accept used tire drop-offs for the types of used tires that they agree to collect
- 3) Registered Collectors who are retailers are obligated to accept up to 4 used tires per person without the person having to make a purchase.
- 4) Tires must be stored in accordance with Ministry of Environment and Fire Marshall Regulations, and in a manner that ensures they are free of foreign material and excessive moisture, and are secure and accessible for easy pick up
- 5) Collectors must use OTS registered Haulers for pick up of tires
- 6) Collectors must keep records of number of used tires accumulated and the Hauler(s) who pick up their used tires
- 7) Collectors may not charge to receive a used tire from an Ontario resident
- 8) Collectors agree to wait until a minimum number of tires has been accumulated before calling for a pick-up. The minimum number of tires is 50 tires in Southern Ontario, and 75 tires for Northern Ontario.

Incentives for Collectors

- 1) In the first year, the Program Plan includes a Used Tire Collection Allowance of 88¢ per Passenger/Light Truck tire and Off The Road (OTR) tire weighing 10 kg or less tire and \$3.05 per medium Truck and OTR Tire weighing more than 10 kg
- 2) Free pick up of used tires by registered haulers
- 3) OTS will provide point of sale (POS) material for customers
- 4) Your name posted on the OTS website as a registered Collector

Roles and Requirements of Haulers

- 1) Deliver scrap tires to OTS registered Processors
- 2) Pick up used tires from registered Collectors at no charge
- 3) Complete an OTS Used Tire manifest form and submit to OTS
- 4) Provide detailed information to OTS on final destinations of tires including tires that are culled for reuse or retreading both domestically and outside of Ontario

Incentives for Haulers

1) The applicable Transportation Incentive

- Varies depending on the pickup point and processor destination.
- For exact incentive amounts, please see the Hauler's Handling Allowances table located on the OTS website.

2) Your name posted on the OTS website as a registered Hauler

Role and Requirements for Processors

- 1) Register with the Used Tires Program and sign the Processor Agreement with OTS
- 2) Provide proof of sale of Tire Derived Products (TDPs)
- 3) Accept tires from registered Haulers for no charge (only applies to the types of tires that the Processor is registered to accept)
- 4) Provide proof of end use of the TDPs sold and demonstrate that these materials are being used by their customers in a manner compliant with the diversion objectives of the program. This will be reviewed regularly by OTS.

Incentives for Processors

- 1) Applicable Processing Incentives - In order to encourage the production of higher-value added products, an incentive system based on product type will be used.
- 2) Payment to the processor will take place within 35 days of OTS receiving the required proof of sales of Tire-Derived Products (TDP)
- 3) Your name posted on the OTS website as a registered Processor

RPM - Recycled product manufacturers

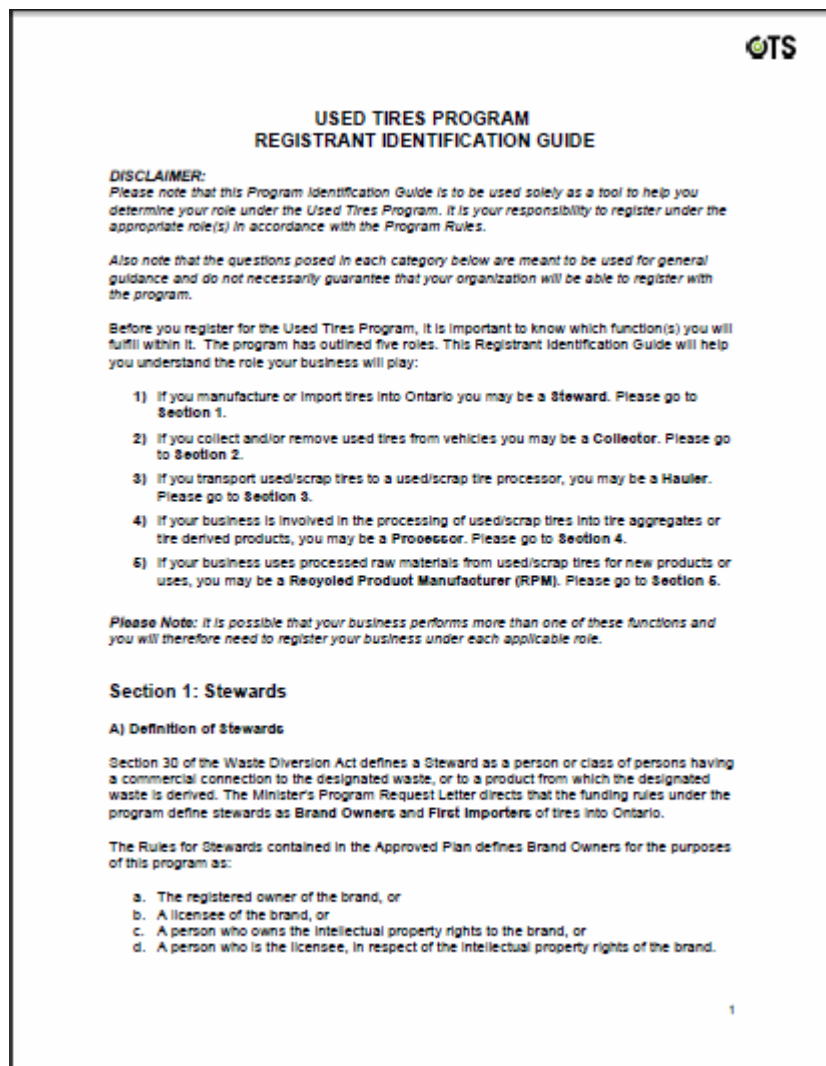

- If you are interested in becoming a RPM, send an e-mail to **info@ontarioTS.ca** and include:
 - 1) Name of Business
 - 2) Contact Info
 - 3) State in the e-mail that you are interested in becoming a RPM within The Used Tires Program

The screenshot displays the Ontario Tire Stewardship website's 'Collector Registration Application Form'. The header includes the logo and navigation links. The main content area is divided into two columns. The left column contains the form instructions and input fields for 'Business Start Date' (with month and day dropdowns) and 'Ontario Business Number'. The right column, titled 'user', contains a list of links for account management and a section titled 'What is your Role?' which describes the roles of Steward, Collector, Hauler, Processor, and Recycled Product Manufacturer. Below this is a 'Resources' section with links to the program plan, rules, and waste diversion information.

☐ I have the authority to bind my corporation / business or have been granted to the authority to bind my corporation / business with Ontario Tire Stewardship. I have read and understand the Ontario Tire Stewardship "Collector Agreement" below and agree to its terms.

RECITALS:

- A. OTS has been designated as the industry funding organization under the Act to be responsible for the collection and environmentally responsible recycling of Used Tires;
- B. The Collector wishes to operate a collection site for Used Tires and receive Collection Incentives in accordance with the Plan;
- C. The Collector has been approved by OTS as an approved Collector in accordance with the Plan; and
- D. The purpose of this Agreement is to set out the terms and conditions under which the Collector will operate a collection site under the Plan.

NOW THEREFORE the parties agree as follows, as of the date set out above:

ARTICLE 1

DEFINITIONS

1.1 In addition to the words and phrases defined in the recitals or elsewhere in this Agreement, as used in this Agreement, in any schedule hereto, in any amendment hereof, and in any documents to be executed and delivered pursuant to this Agreement, the following words and phrases have the following meanings, respectively:

- (a) "Act" means the Waste Diversion Act, 2002, S.O. 2002 c.6 as amended from time to time;
- (b) "Agreement" means this Agreement, including the schedules to this Agreement, as it or they may be amended or supplemented from time to time, and the expressions "hereof", "herein", "hereto", "hereunder", "hereby" and similar

- Each agreement, will list the insurance requirements for each program role.
