

Instructions

1. Haulers need to fill this form out for a request to redirect tires. All fields need to be completed in order for OTS to process the request. Request must be approved by OTS prior to delivering tires; OTS does not automatically approve requests and OTS reserves the right to reject redirect/adhoc requests as OTS deems appropriate.
2. For additional instructions, email Hauler@ontarioTS.ca.

Registration Number			
Company Name			
Reason for Redirect			
Ontario Processors Contacted (prior to making request; minimum of 3 names required)	1) 2) 3)		
Preferred Processor			
Origination Zone (first 3 letters of the postal code)	Primary Collection Zone	or	Current Location of tires
